

Exam View Pro Printing Tests

Click on FILE to PRINT. This window will appear.

Choose the number of test variations you'd like to print.

You can choose how you'd like the tests to vary.

- Scramble sections
- Scramble questions
- Scramble multiple choice answers
- Calculate new values

Be sure to print an answer strip for easy grading!!!!

Click OK to bring up the print dialog box. From here you choose your printer and how many copies to print.
