Steven Cea, Custodian of Records
Township of West Milford Schools

(via FAX 973-697-8351)

Mr. Cea,

Please consider this a request for records under terms of the Open Public Records Act and the Common Law. I would like to view in your office:

1.) Both sides of Check Number 045630 and apparently dated 06/06/06 (see attached sheet); and

2.) What appears to be either a voucher or invoice numbered 604306 and dated 04/19/06 (see attached sheet.)

Also, the minutes of the board of education's meeting that excluded the public on May 11, 2004, includes the following: "Mr. Gagliardi reviewed the case involving KK. The insurance company will cover the suit." Again under terms of the Open Public Records Act and the Common Law I would like to view in your office:

3.) The insurance policy Mr. Gagliardi was referring to, including but not limited to the policy's declarations pages, all policy forms and endorsements.

I will appreciate hearing from you when the records are available for viewing.

Martin O'Shea
