

# WEST MILFORD TOWNSHIP BOARD OF EDUCATION

## GOALS FOR 2009-2010

### Board Goals

- To review and update the policy manual
- To develop trust and respect among board members in order to improve board performance and operations
- To develop and to implement an effective and ongoing communication system

### District Goals

- To satisfy quality performance indicators in the key components of district effectiveness as identified in the NJQSAC
- To expand and strengthen the learning experiences and academic performance of all students
- To improve the achievement of all students and to meet the mandates of NCLB, Special Education requirements and Professional Standards for Teachers and Administrators
