

**WEST MILFORD 2008-2009 SCHOOL BUDGET**  
**GUIDING PARAMETERS**

For the budget year 2008-2009 the West Milford Board of Education directs the administration to develop a budget that meets or exceeds all state education standards while incorporating the following Board identified guiding budget parameters:

- ✓ make provision for staffing levels that maintain the district's current class size guidelines,
- ✓ provide for any new personnel required by statute and regulations,
- ✓ make budgetary provision for the settlement of employee contracts with individuals and collective bargaining units,
- ✓ maintain a growth limit for the school budget as allowed by law,
- ✓ provide for a means of generating additional revenues from competitive grants.
