Dear WMTPS Community,

Earlier today, an article was published online regarding the district's participation in the 2012 Race to the Top Phase 3 grant program. The original notice received from the New Jersey Department of Education, dated December 20, 2017, indicated that West Milford was included on a list of applicants who have not submitted an approvable final report. A follow up notice from the Director of the New Jersey Department of Education Office of Grants Management dated January 3, 2018 indicated that this is not accurate and has rescinded the original notice. The money from the six year old grant was fully spent in the 2012-2013, 2013-2014, and 2014-2015 school years and the West Milford Township Public School District is eligible to participate fully in every state and federal grant to help alleviate the financial burden placed on local taxpayers. Moreover, we remain committed to budgeting public monies in the most cost-effective and efficient manner possible.

If you have any questions, please do not hesitate to call the Business Office at 973-697-1700 x5051

Sincerely,

Alex Anemone, Ed.D.  
Superintendent of Schools

Sincerely,

Barbara Francisco
